

### PACC Code of Ethics

Ethical dilemmas occur because of values in conflict.

It is important that the values of the Palestinian American Cultural Center be communicated to all members.

Members and leaders are asked to embrace, support, reinforce and uphold the PACC Code of Conduct.

1. All members will serve as goodwill ambassadors for the Palestinian American Cultural Center.
2. Members will not allow their personal beliefs and convictions to interfere with the PACC mission nor use their personal power within PACC to advance their personal interests.
3. Members will always treat other members with honesty, respect, fairness, integrity, responsibility, and kindness.
4. Members will maintain compliance with PACC bylaws.
